*Goodbyes are not
forever . . .*

*Stetson University
DeLand, Florida*

*Journey ... Journey ...
on my friend ...
To a new beginning ...
For this is not the end ...
It is with difficulty
that I say farewell ...
For who knows what events
shall occur?
No one knows, who can tell?*

*That realization
a dream is all,
That's what it is,
that becomng call ...*

*Though we shall all leave something behind ...
It is the joy of discovering something new,
Bright and brilliant, that makes it all worthwhile ...*

*Employing oneself wholeheartedly with
Incredible stamina,
To attain this goal ...
Shining, scintillating, throughout the
eternal depths of your soul ...*

*Life's destiny ...
with the dice of fate ...*

*Goodbyes are not forever,
lets hope this holds true ...*

*Yet if we do not see each other again
on this earthly sphere ...*

*We shall be reunited in a world far
away from here ...*

Cast out each worry and fear ...

*For though
we may
not see
each other,
The memories
in our
hearts
held dear ...*

*Shall keep us
held together
in spirit ...
And our souls,
though separate,
shall always
be near ...*

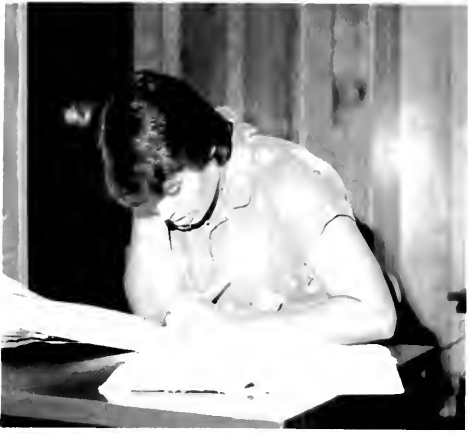

- a friend

Wherever you go,
I shall go.

Wherever you live,
so shall I live.

Your people will
be my people.

And your God will
be my God too.

*I want to say something to all of you who
have become a part of the fabric of my life.*

*The color and texture which you have
brought into my being have become a song and
I want to sing it forever.*

*There is an energy in us which makes
things happen, when the paths of others touch
ours we have to be there and let it happen.
When the time of our particular sunset comes
our thing, our accomplishment won't really
matter a great deal.*

*But with the clarity and care with which
we have loved others will speak with vitality
of the great gift of life we have been for each
other.*

Wherever you die,
I shall die.

And there shall I
be buried beside you.

We will be together
forever . . .

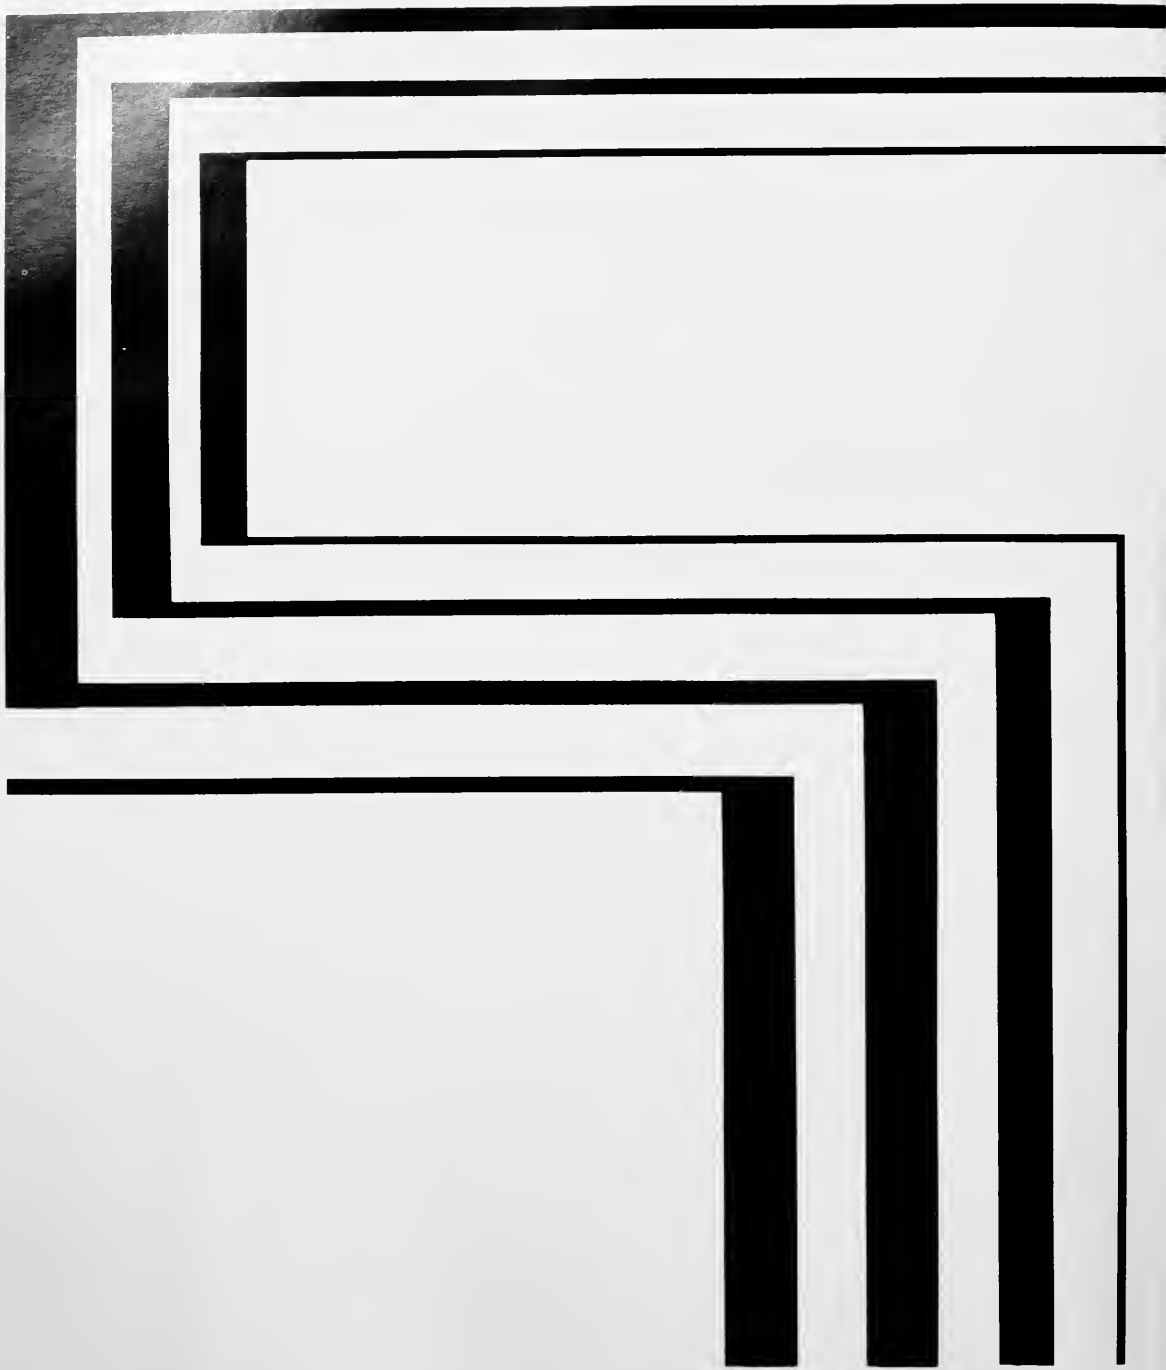

And our love will be
the gift of our
life . . .

PRESIDENT

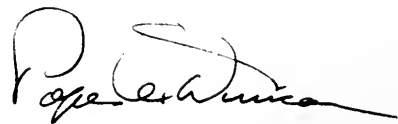

These are exciting days to be a part of Stetson University. As we complete the 99th year of this institution, we have a chance to reflect upon the significant heritage which is ours. I am grateful to be President of this University at this significant time.

It is incumbent upon all of us to make plans now which will be challenging for the new century into which Stetson will shortly enter.

Together, we must bring the University to the place that she will be widely recognized as one of the nation's premiere small universities. Key words must be quality and caring in all that we try to do. Also, the linkage in our motto of the intellect and the spirit — *pro Deo et pro Veritate* — provides the continuing base for us.

Stetson has had a great past, and successful and supportive

alumni attest to that. Stetson is a vital and creative place to be now, and excellent students and faculty attest to that. Stetson will be an even better place to be in the next century for future students because alumni, students, faculty, and all the rest of us associated with the University are working to make that happen.

Dr. Pope A. Duncan

PROVOST

Dr. Thomas J. Turner

The year of 1982 is a time when people are saying that students suffer, and are in trouble, because they have no heroes. Recently at a faculty luncheon, I heard a psychiatrist say that the problem is not just for students but for all of our society.

When I consider the question of what Stetson means to me, I must say that it is a place of authentic heroes. By the term "authentic hero," I mean one who does his job well, often under difficult circumstances and who continually gives himself to others, one who is changing, yet not changing. Thus, I speak of an authentic hero as one who stands for something and it is evident in his lifestyle. To me, Stetson University is a place where we have such heroes, all across the spectrum of the University. Ten years from now when you look back on your Stetson experience, I am sure there will be two or three professors who loom large in your mind as authentic heroes. But, part of the genius of Stetson is that these heroes are not just on the faculty. We find them among the students who, for example, put this publication together. We find them among the staff and administration of the University.

To the graduating seniors I say "Be a hero," or "Continue to be a hero."

The real test of your Stetson experience comes ten years from now when we ask, not only what are you doing, but what have you become. You see, we want for you all that our Lord wants for you, and that which He wants for you is supremely good.

A final word - cherish your alma mater. Help us to continue to produce heroes, those whose lives are different because they have been a part of the genius of Stetson. You are certainly not the same for having been a part of Stetson.

ORGANIZATIONS

Student Affairs Committee

The Student Affairs Committee is a presidential committee established to serve as a coordinating and advisory body for student organizations. The Dean of Student Affairs chairs this committee, which is composed of students, faculty, and administrative members.

Back: P. Gilreath, R. Dyer, B. Raymond, B. Eubanks, B. Allen, K. Bauer, K. Banning Front: S. Hoffman, S. Raborn, G. Jenkins, N. Barnett

Union Board

The Stetson Union Board comprises one third of the Commonwealth of Students — Stetson's student government, the other two organizations being the SGA and the Judiciary Council. The SUB's role with in the Commonwealth is to allocate the University's budget for programming student activities and services. The Union Board oversees the facilities related to the Union: the Alley game room, Coffeehouse and WHAT, the campus radio station. The SUB also presents major concerts, films, weekly Happy Hours, and other events and provides refrigerator, camping gear, and canoe rentals.

Officers: J. Tofte, president; L. Siegel, vice president; J. Tatarczuk, treasurer; S. Jones, secretary

Student Government Association

Officers: T. Ireland, president; T. Richardson, vice president; J. Voldish, secretary

The Student Government Association, comprising one third of the Commonwealth of Students, is composed of the president of the SGA, vice president, cabinet, and thirty-three senate members. The SGA is charged with the responsibility of providing student leadership and representation in virtually every aspect of student life. The SGA functions through seven main committees: legal affairs, academic, elections, budget, campus, senior affairs, and municipal relations committees. Major services provided by the SGA include the University Forum, senior banquet, course evaluations, and student discount cards.

Judiciary Council

Front: F. Rogers, C. Gilliland, K. Roberts Back: R. Helton, R. Dyer, B. Raymond

The University Judiciary Council, comprising one third of the Commonwealth of Students serves as a link between the University Administration and the students. Any student's alleged violation of university regulations is brought before the council for adjudication. The Judiciary Council is composed of twelve elected members, including two sophomores, four juniors, and six seniors.

Mortar Board

Mortar Board, Pi Sigma Alpha, is a National Leadership Honorary built on the ideas of Service, Scholarship, and Leadership. Each year, Mortar Board promotes these qualities by inducting rising seniors who display these characteristics in an exemplary fashion. These members collectively provide stimulus for growth in the Stetson community.

Front: J. Chronister, Treas.; R. Massey, Sec.; C. Ahrens, Vice Pres.; S. Talley, Treas.; R. Fisher, M. Stevens, E. DeMarsh, Miss Coutant. Back: D. Johnson, S. Fortes, G. Cooney, Pres.; J. Nelson, Mrs. Edmundson.

Omicron Delta Kappa

Omicron Delta Kappa, the National Leadership Honorary, is one of the highest honors attainable by a member of the Stetson community. It is the purpose of the society to recognize those who have attained a high level of leadership in collegiate activities and to inspire others to strive to attainments along similar lines. This is possible by bringing together students and faculty on a basis of mutual interest and understanding.

Front: D. Johnson, President; M. Stevens, T. Templeton, Secretary; Dr. Hood. Back: Dr. Coolidge, Dr. Beasley, G. Cooney, K. Bauer, Dr. Johnson.

Stetson Ministerial Association

Front: B. Cadwell, P. Bailey, N. McFaddin. Back: E. McQueen, Director; J. Toro, Pres.; V. Holcombe, Sec./Treas.; C. Hill, C. Black, R. Howell, L. Pedrafa, T. James, G. Lyons, J. Holloway, V.P.; T. Tate, A. Wilder, R. Maurer.

Stetson's Ministerial Association is an organization of students who plan to enter some type of Christian ministry as a career. The group is made up of future missionaries, music leaders, youth leaders and preachers as well as other types of ministers. The S.M.A. meets weekly and sponsors activities throughout the year including retreats, campus radio devotionals, and worship services and Juniper Springs Camp-ground.

Religious Life Council

Front: Father Pat Powers, J. Rossie, L. Benson, S. Ary, C. Crews. Back: T. Clark, Dr. Garth Jenkins, Mr. Rodney Ellis, B. Allen, Rev. Charles Granger, Mrs. Margie Duncan.

The Religious Life Council, comprised of representatives of the denominationally sponsored campus ministry organizations (Catholic Campus Ministry, Canterbury House, Wesley House, Baptist Campus Ministry, and the Stetson Ministerial Association), sponsor speakers, performers, and other programs to enrich the lives of students, promote greater understanding among the religious organizations, and achieve cooperation for special projects. Events sponsored this year were Ragan Countney's performance, "Truth" concert, the Raft Debate, Robert Short's Visual Presentations, and the Oxfam Fast (hunger).

Baptist Campus Ministry

The Baptist Campus Ministry is an organization that supports and promotes the quality standards of Stetson University. The major goal of Baptist Campus Ministry is to encourage and make available many different ways to help others and for students to help themselves. BCM strives to meet needs in the community as well as on campus. BCM is on campus to allow students to enjoy sharing a common belief.

Officers: N. Powell, President; A. Cotter, Director of Worship; L. Miracle, Secretary-treasurer; G. Webb, Director of Recreation; M. Songster, Director of Special Ministries.

Canterbury House

Canterbury House at Stetson University is a campus ministry of the Episcopal Church. Founded in 1937, it has been providing students of all denominations with a place to come and grow spiritually. Activities of the organization include an Evensong, supper, and a program. The group is led by Fr. Eric Ravndal and several advisors: George and Mary Hood, Jan Peacock, and Charlotte Smith, Canterbury's co-founder.

Officers: Jim Rossie, Senior Warden; Dermott Dessert, Junior Warden; Robert Bender, Treasurer; Michele Colbert, Secretary

Newman House

Officers: P. Houck and R. Hoelscher, co-leaders; J. Farrell, treasurer; M.B. Irvin, secretary.

The Newman House provides a place to study, socialize, or just relax for all students. In particular, the Newman House is a focus for establishing community relationships among the Catholic students attending Stetson.

Wesley House

Officers: J. Nelson, president; G. Smith, vice-president; K. Orsini, treasurer; L. Hedberg, secretary; L. Lee, house representative; C. Luce, freshman representative; M. Menefee, kitchen hostess.

Wesley House is a fellowship composed of house members and those who come to the programs. Both are considered as part of the "Wesley Gang." They seek growth, support and encounter faith among the community. These ongoing goals are achieved through Bible study, recreational activities and Sunday discussion groups. Besides these "public" ministries, there is the "private" extending of hands, of hearts, and of needs by both Tom Cunningham and house members. It is a campus ministry of the United Methodist Church.

Sigma Pi Kappa

Sigma Pi Kappa is Stetson's Journalism Honorary. Membership is open to those who have made outstanding contribution to the student publications at Stetson in the form of writing, photography or leadership, such as editorial positions.

Front: Karen Eckes, Bob Koslow, Donna Thornal. Back: Jayne Marlowe, Bruce McFarland, Jane Bonnell.

Publications Board

The Publications Board consists of the Editors in Chief and the Business Managers of the *Hatter*, the *Reporter*, and the *Touchstone*, student publications, along with three elected representatives and the faculty advisors for the publications. The purpose of the board is to govern the affairs of the student publications, making certain that the publications are completed on time and efficiently.

Front: K. Eckes, N. Barnett, D. Thornal. Back: T. Templeton, J. Marlowe, T. Sproat, M. Bapst, J. Farinacci.

Reporter

The staff of the *Reporter* consists entirely of students who work on the staff voluntarily. The staff publishes the paper each Friday during the school year.

Editor in Chief, D. Thornal; Managing Editor, B. Koslow; Features Editor, J. Farinacci; Business Manager, T. Templeton; News, G. Romagnoli

WHAT

WHAT, the campus radio station, is a special committee of the Student Union Board. WHAT consists entirely of students and is primarily known for bringing music and news to the Commons during meals. WHAT also broadcasts to the Alley and the HatRack. Student disc jockeys learn to operate broadcast equipment, arrange and program radio shows and make promotional advertisements. Once a student has been a D.J. at WHAT, ideally he or she is qualified to gain employment at any commercial AM or FM radio station.

Management: K. Tesh, station manager; B. McFarland, assistant station manager; C. Warren, programming manager; E. Shields; D. Ratteree, sound manager.

Phi Eta Sigma

Phi Eta Sigma is a national honorary organization for students who have excelled academically during their freshman year. The minimum requirement is a 3.5 grade point average for the freshman year.

Officers: President, Eric Lopez; Vice-President, Kim Lacko; Secretary, Becky Wells; Treasurer, Bruce Hedgepeth; Faculty Advisor, Dr. Gene Medlin

Phi Chi Theta

Phi Chi Theta, a national business fraternity, was started at Stetson in 1970 by Professor Nylen. Within the last year, it has increased in membership by 100% and has continued its previous programs of speakers and community participation.

Officers: President, Cindi Rourk; Vice-President, Howard Butler; Secretary, Jane Bonnell; Treasurer, Walter Ramsey; Faculty Advisor, Dr. Michael Boyd

Alpha Kappa Psi

Officers: K. Lacko, President; L. Binns, Vice-President; R. Bender, Recording Secretary; A. Beck, Treasurer; R. Rowe, Corresponding Secretary.

Stetson's Theta Mu Chapter of Alpha Kappa Psi, the oldest professional business fraternity in the nation, strives to facilitate and promote learning in the fields of business and commerce. Guest speakers and tours of various corporations are important parts of Theta Mu's professional activities. In addition to furthering its members' education in many aspects of business, the fraternity annually co-sponsors Career Fair, publishes a magazine entitled Future, and actively participates in Greenfeather.

Marketing

The Stetson Marketing Association is a stimulating, informative, and helpful collegiate business organization affiliated with the American Marketing Association. The SMA gives its members a head start in their careers and an opportunity to gain early experience in the field of marketing.

Officers: L. Uhl, President; L. Wilkinson, Vice-President; P. Smith, Recording Secretary; P. Kampf, Corresponding Secretary; C.O. Berg, Treasurer; J. Bonnell, Publicity; J. Hausbeck, Social; M. Cerelle, Program.

The Pre-Medical Club is a loosely structured in formal organization where the main goal lies in aiding the student in preparation for admission into health-related fields.

To achieve these goals, we present several in-town physicians of the varied medical fields: Medicine, Dentistry, Veterinary, and Medical Technology. In addition, we plan to visit various medical centers, have a mini-MCAT preparation course, and have a CPR demonstration, as well as a reception for the physicians in town.

Pre-Medical Club

Officers: P. Connor, President; J. Lang, Vice President; M. Relf, Secretary; Dr. K. Everett, Faculty Advisor; L. E. Wadsworth, M.D., In-town Medical Advisor

Beta Beta Beta

Tri-Beta is the national biological honorary society. Its membership is extended to advanced biology students who have achieved excellence, not only in the biological sciences, but in overall academics as well. With increased campus activity including Greenfeather, aluminum can recycling, discussion groups, and various other activities, the group was challenged and rewarded.

Front: K. Mettina, Sec.; B. Layton, K. Hiley, S. Talley, M. Relf, Miss Coutant, M. Proetta, K. Cooksey, S. Peleggi, A. Cotter, R. Harding, Historian; J. Molina, K. Horten, Back: B. Musalim, N. Gamma Sigma Epsilon

Dr. DeLap, Faculty Advisor; K. Hagen, C. Johnson, President; C. Presti, J. Rust, G. Bankert

The Beta Beta Chapter of Gamma Sigma Epsilon promotes health, happiness and comfort of our fellow man. The organization strives to promote allegiance to law and order by engineering a high regard for virtue and truth and by bringing the facts of science closer to the truth of the universe through the promotion of chemistry. It also provides tutorial services for all chemistry classes.

Members must have a minimum of fourteen hours of chemistry, a 3.0 chemistry average, and a 3.0 overall G.P.A.

Phi Alpha Theta

Phi Alpha Theta is the history honorary organization. This is open to those students who have taken at least twelve hours of history and have a 3.5 grade point average. Each year a delegate is chosen from the students and sent to a national convention. The students were actively involved in public and world political affairs.

Front: R. Balte, J. Tofte, Vice President; J. Joseph, President, R. Ruhlman, K. Allen, Back: P. Guthrie, Dr. Lovelace, Dr. Steeves, Dr. Wynn

Sigma Tau Delta

Sigma Tau Delta is a national English honorary which was founded in 1924. Membership is limited to those upper-class students that have completed six hours of English beyond the freshman requirement with a 3.0 grade point average in all English courses. Members of Sigma Tau Delta are distinguished by their outstanding achievement in English.

Front: E. Shields, N. Pfeiffer, Dr. E. Smith. Back: Dr. W. Dickson, J. Bonnell, K. Allen, B. Wolf.

Psi Chi

Psi Chi is the national honor society in psychology, and it is an affiliate of the American Psychological Association and the Association of College Honor Societies. The Society was founded in 1929, and the Stetson University Chapter was chartered in 1957. Thus the 1981-82 academic year marks the silver anniversary of Psi Chi at Stetson. The purposes of Psi Chi are to encourage, stimulate, and maintain scholarship of the individual members in all fields, particularly in psychology, and to advance the science of psychology.

Dr. D. Hale, M. Adams, R. Massey, J. Toro, T. Miller, S. Vough, D. Weigel, L. Lee.

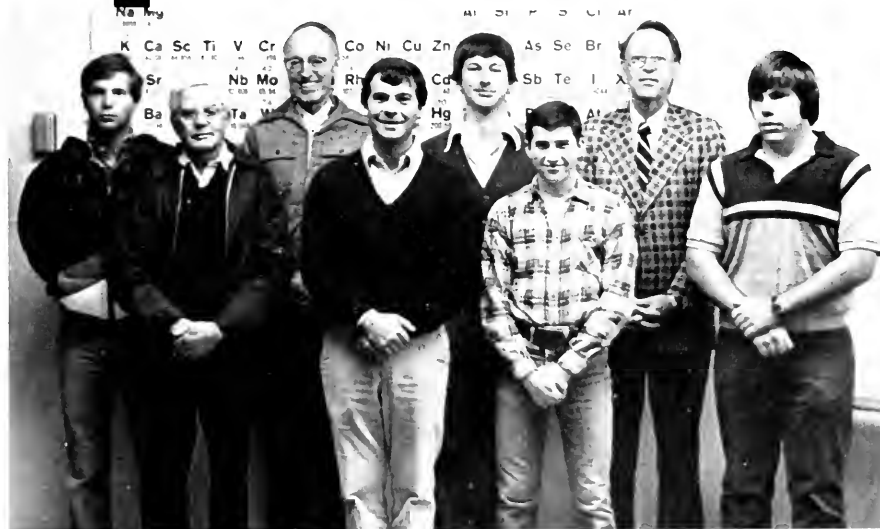

Society of Physics Students

Officers: President, Lane Kimbrough; Vice-President, Rick Slone; Secretary-Treasurer, Rick Sowers; Publicity, Anita Bardeen

The Society of Physics Students is a national organization which is open for membership to all students interested in physics. The Stetson Chapter's activities included special lectures by professional physicists and physics teachers, scientific movies, space shuttle launching trips, socials and a Green-leather booth. Members received *Physics Today* magazine and the *SPS Newsletter* each month, providing information on current physics - related activities throughout the country.

Chemical Society

Officers: President, James Lang; Vice-President, Karen Haggen; Treasurer, Chuck Presti; Secretary, Megan Cloughty; Faculty Advisor, Dr. James DeLap

This social organization is primarily for those with an academic or intellectual interest in chemically related subjects. Selling soft drinks to students and working diligently in labs is the main source of income. This year A. C. S. sponsored several fund raisers to create two new departmental awards. We hope these awards will stimulate interest in chemistry and honor those who have excelled academically in chemistry.

Stetson Political Forum

The Stetson Political Forum is a non-partisan organization of students and faculty members who are interested in discussing politics and current political events. The Forum sponsored luncheons every Monday, featuring a guest speaker. The luncheons were informal and allowed students and faculty to discuss issues outside of the classroom.

Officers: President, Bill Graessle; Vice-President, Lynda Lee; Secretary, Meliss Massing; Treasurer, Rash Khatri; Publicity Chairman, Brian Eubanks

Circle K

Circle K is the world's oldest collegiate service club. Sponsored by Kiwanis International, there are some 900 clubs on college campuses around the world. Along with Key Club and Kiwanis, Circle K is a service club. Circle K serves the community as well as the campus. This year's activities have included visiting the Florida Lutheran Retirement Center, working with area Girl Scout Troops, and tutoring in the Deland area schools.

Officers: President, Alison Steele; Vice-President, Judy Evers; Secretary, Christa Ogle; Treasurer, Lynda Lee

Stetson College Republican Club

Officers: Gary Bulter, President; Bruce MacFarlane, Treasurer; Bob Connor, Publicity; Ben Holmes, Newsletter

The Stetson College Republican Club saw 1981-82 as a year of re-building and preparing for the 1982 elections. Coming off the significant victories of 1980, the club was intent on making sure the majority party in Florida and the United States was Republican. The major project for the club during the fall term was the Poland petition. The petition was to show the support of Americans for those in Poland in their drive to establish basic freedoms denied them by the totalitarian government support by the Soviet Union.

Stetson Young Democrats

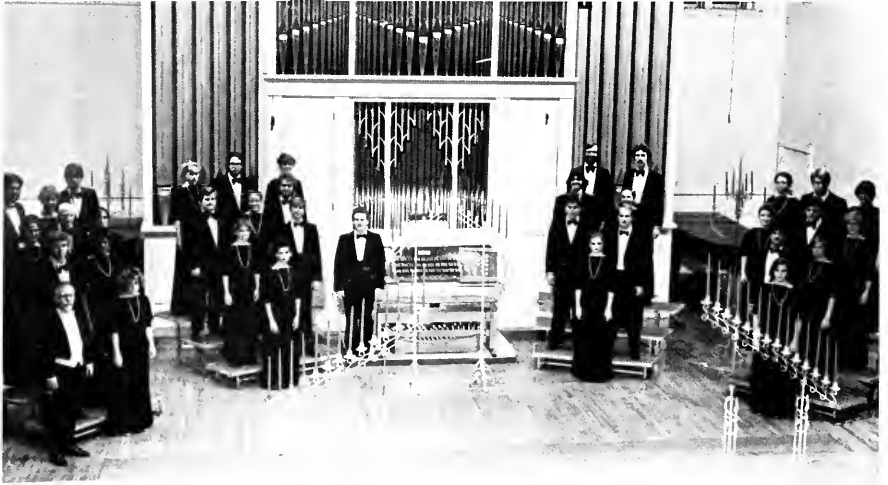

Stetson Young Democrats is an organization interested in supporting the Democratic philosophy on Stetson campus and helping people become familiar with politics and the issues facing our country. Our activities have included attending the 1981 Florida Democratic Conference in Hollywood, holding an anti-James Watt petition drive, and attending meetings of the Volusia County Democratic Committee.

Officers: Lynda Lee, President; Keith Allen, Executive Vice-President; George Romagnoli, Vice-President for Political Affairs; Kirk Boutwell, Secretary; Matthew Hoperich, Treasurer

Concert Choir

The Stetson Concert Choir is an undergraduate choir made up of music majors and non-music majors alike. The music they perform ranges from the newest pop tunes to such masterpieces as Handel's "The Messiah" and Schubert's "Mass in G Major". They also perform a great deal outside of the university at churches, social functions and high schools.

Officers: C. Pelham, President; A. Lewis, Vice President; A. Sorondo, Secretary; D. Brooks, Student Conductor.

Scabbard and Blade

The purposes and ideals of the Society are stated best in the Preamble to the Scabbard and Blade Constitution:

"Believing that military service is an obligation of citizenship, and that the greater opportunities afforded college men and women for the study of military science place upon them certain responsibilities as citizens, we cadet officers in various colleges and universities conferring baccalaureate degrees, do form this society and adopt this constitution in order to unite in closer relationship the military departments of America universities and colleges; . . .

Officers: Company Captain, B. Neier; Company First Lieutenant, R. Hoelscher.

Music School Advisory Council

Front: B. Clark, P. Murray, P. Nelms, A. Sorondo. Back: F. Love, S. Flowers, J. Rossen, P. Gilreath, M. Sciano, D. Heywood.

The Music School Advisory Council is the student government of the School of Music. Its primary purpose is to provide a liaison between the student body and the Dean of the Music School. The Council has many functions including faculty evaluation, facility improvement and social activities. It also plays an active role in the Music School Advisory Board.

The Advisory Council consists of 12 members - one from each medium in the school - as well as a president, vice-president and secretary.

Theta Alpha Phi

The Florida Alpha Chapter of Theta Alpha Phi was founded at Stetson University by Dr. Irving Stover on March 1, 1920. The purposes of T.A.P. are to increase interest, stimulate creativity, and foster artistic achievement in all of the allied arts of the theater. Activities for the 1981-82 year include: sponsoring 3 major productions, having a booth for Greenfeather, putting on a Haunted House for Halloween, holding a Homecoming reception for alumni, and sponsoring many dance classes and productions.

Officers: Ashley Andrews, President; Donna Durland, Vice-president; Juanita Molina, Secretary; Renee Lawless, Historian; Mr. Bruce Griffiths, Sponsor.

Dancers' Workshop

Dancers' Workshop, an organization affiliated with Stover Theater, is under the direction of Coach Bruce Griffith. This year the annual concert was held in December and was entitled "A Celebration of Life."

The second part of the year entailed touring with the area elementary schools with a specially prepared program. Dancers' Workshop plans to expand its program even more next year with the acquirement of floor length mirrors.

ROTC's freshman and sophomore cadets participated in one of four modules; Aviation, Color Guard, Marksmanship, or the Raiders. Cadets in the junior year of ROTC prepare all year for advanced camp — a six week summer camp at Ft. Bragg, N.C. Senior cadets comprise the cadet staff where they learn the intricacies of staff planning and organization.

Army ROTC is a great way to prepare for being an Army officer. ROTC helps you develop discipline of mind spirit, and body as well as your ability to make decisions under pressure.

With the remodeling of the north wing, Chaudoin Hall had a new look this year. That great Chaudoin spirit, however, was still the same and the staff worked together smoothly. Some of the many exciting activities that were planned included a Friday the 13th party with Smith Hall, a jail booth with Carson Hall for Greenfeather, and the annual Halloween and Christmas parties. The intramural teams looked great with Chaudoin's top athletes working together and having fun. Each individual hall adds its own special style to make Chaudoin complete.

What was once an upper class women's residence hall has now become a fully integrated home housing women from each of the four classes. Yes, our freshman have given Emily Hall a face lift with new blood and constant craziness. Staffed by seven Resident advisors, six staff assistants and one head resident, Emily enjoys programs ranging from hall salad bars to inter-dorm barbeques. This year at the Green-feather Carnival, Emily joined Gordis Hall to sponsor a Bagel booth. Other traditions include a Halloween pumpkin-carving, Christmas party, study breakers, and Blue Spring runs.

Stetson Hall

Scope dinners; Trick-or-treaters and witches; Intramurals and chipmunks at Christmas time kept staff and residents involved. With a flair for seasons not in season, the women of Stetson Hall sponsored a gayla "New Year's Eve in October" party and with Smith Hall, "A Nite of Summer Fun" in January. Through the course of the school year, staff and residents have lived by our adopted motto, "Deal with it!"

Gordis Hall

Ranging from date-n-skates to the third annual Gordis Game Night, it was a fun packed year for the Gordis Vanguards. Each hall participated in the Gordis Cup competition with the point leader gaining a free dinner at the end of the year. The residence hall also did very well in the intramural program with good participation. Other than fun, the staff built a new trash bin, lower six repainted their hall, the main lobby was remodeled, and a refinished ping-pong table offered many hours of enjoyment.

New Mens Dorm

Continuing in the lightening bolt tradition of past years, the New Mens staff climbed, both literally and figuratively, to new heights this year. From our lofty perch, we can easily survey the rest of the campus. The main lounge has been given a new lease on life, and much re-decorating has been done in other areas. Dinner parties, hay rides, and other activities were offered in an effort to bring the lovely Stetson women together with the men. It has certainly been an awesome year for the guys of New Mens.

SPORTS

SOCCER

The "Hatters" in 1981 are still a very young team with only four possible returning seniors. The core of the team will be a crew of eleven returning sophomores and juniors. Added to this will be a talented group of newcomers including freshmen Danny Rich, Todd Johnston, and Larry Powers.

A different look for Stetson will be their move to a new home field. All home games will be played under the lights in DeLand's Spec Martin Stadium. The

Bermuda grass field will seat up to 1000 fans and is a welcome addition to the growing Hatter soccer program.

The 1981 schedule is a demanding one with traditional state powers such as Florida International, University of Miami, Jacksonville, and Eckerd. Newcomers this year will include an exhibition match with the University of Dublin, Ireland; Georgia Southern, and Covenant College.

WOMEN'S BASKETBALL

The 1981-82 edition of the Lady Hatters basketball team features five returning upper classmen and nine freshmen and sophomores. Despite their youth, the Lady Hatters are the most talented team Stetson has fielded.

The Hats venture into Division I ranks this year, led by senior guard Donna Johnson. Johnson was selected to the All-State and All-Region Division II teams last year. Another All-Stater, Diane Hayes, returns for her junior season at the forward slot.

Joining the Hats for their premier seasons are four talented freshmen. Sally Smith, an All-State player, Micheall Reilly, who will play guard for the Hats, Missouri McCoy, and walk-on Vicky Brewer.

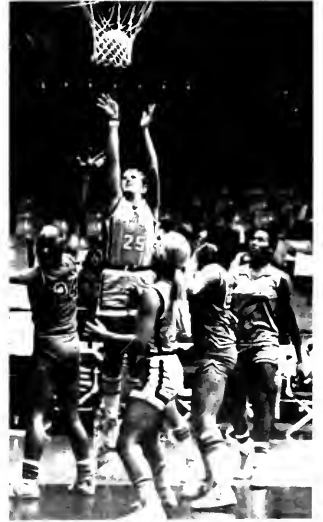

Young but talented is the key phrase for the Hats this year. "On paper we are a very young team," stated Coach Jordan, "but on the court we will have talented individuals who will improve with experience. I'm very excited about the personnel we have this year."

MEN'S BASKETBALL

The bible is replete with examples of moanings of prophets who, in their anguish, point to the dangers of the stronger enemies then lament their own lack of strength and experience.

Thus saith Stetson's head Coach Glenn Wilkes: Groaning above his sack cloth and ashes, the twenty-four year veteran coach of the Hatters sees only two of his top six players returning to meet what is unquestionably the toughest basketball schedule ever faced by a Stetson squad.

Frank Burnell and Brad Weston are the only starters returning from the 18-9 team of 1980-81 that

came within a heartbeat of a post-season bid. The duo will continue with other lettermen and recruits to face the likes of Marquette, Auburn, Duke, Old Dominion, West Virginia, Clemson, Southern Louisiana University, New Orleans, and host of other major powers during the 1981-82 season.

The Hats had five freshman gaining experience in 1980-81. The 1981-82 recruiting efforts have netted a quartet of talented players from both the high school and junior college ranks. Time will tell on the accuracy of the coaches predictions . . .

WOMENS' VOLLEYBALL

With five returning players and five new players this years offense and defense had a new look all together. This year there was a great deal of versatility in our offense. The returning players worked out off and on during the off season and came back strong.

With great athletic mentality the freshman players were coachable and eager to play the ball. Sophomore, Maria Albano, was a walk-on last spring, coach Scheumaker calls her "impressive". Julie Hall, a

freshman was the strongest candidate for starting position with a fine serve.

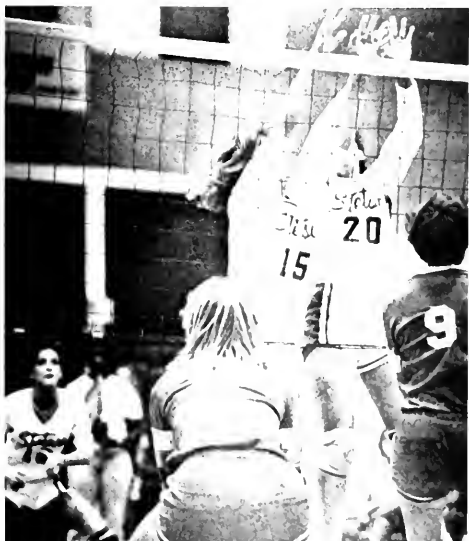

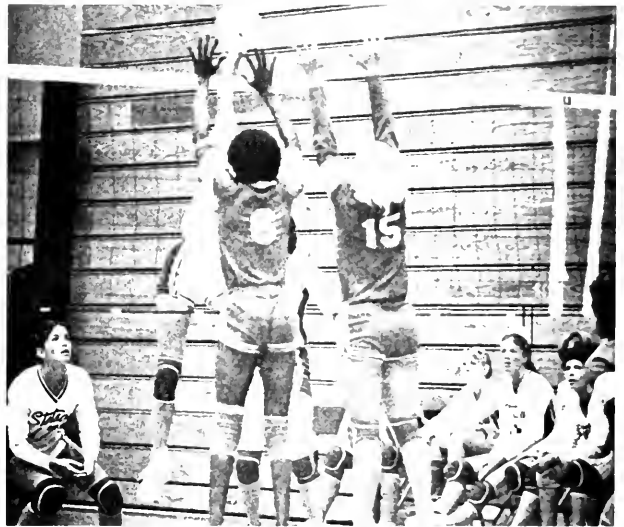

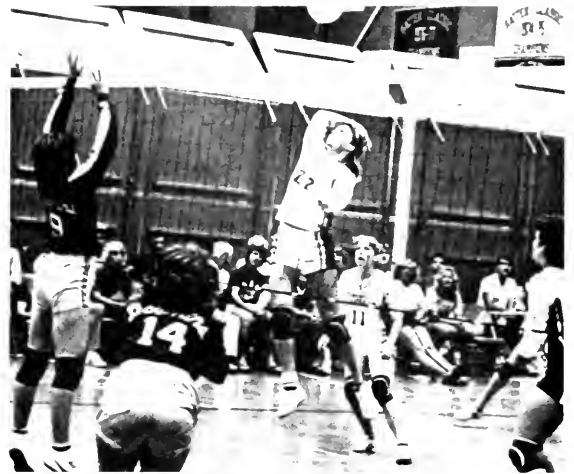

The Hatters faced a tough division II schedule. Competitors were to include national powers of V.C.F., F.I.T., and Florida Southern.

Coach Schuemaker was extremely excited about the assembled team and felt more confident about a successful season.

CHEERLEADERS

1981-82 was a year of growth and improvement for the Stetson Varsity Cheerleaders. Two varsity squads were comprised this year, the first an all-girls Women's Basketball squad and then the addition to the Men's Basketball squad of 8 men!

Yes, Stetson has seen the needed expansion to improve the squads performance on the court. After long hours of practice and many mundane moves they became a squad of unity and acquired skill.

The girls squad traveled with their team and kept the spirit and enthusiasm flowing. The men's squad saw a vast increase in Spirit displayed by the fans, which made the transitional year much easier to bear. The success of the men on the cheering squad is contingent upon support from the faculty, administration and student body. Only with positive reinforcement will we be able to excel in the field of cheerleading here at Stetson . . .

MENS' TENNIS

Coach Ray Hussey sits in the shade of an old oak tree and watches with a gleam of excitement in his eye as his 1982 mens' tennis team practices. "Never before have I had so much depth on one team," boasts Hussey. "I've had better individual talent before, but never the depth of talent that this year's squad possesses."

This year's tentative squad will be as follows: Jim Skalko, a transfer student from the University of Colorado where he played in the number 1 and 2 positions. Jeff Burnett, a freshman from Palm Beach Gardens, Florida. Peter Nysten, son of the Dean of the Business School, will be playing in one of the top three slots. Phil White, who was last years number 7 player

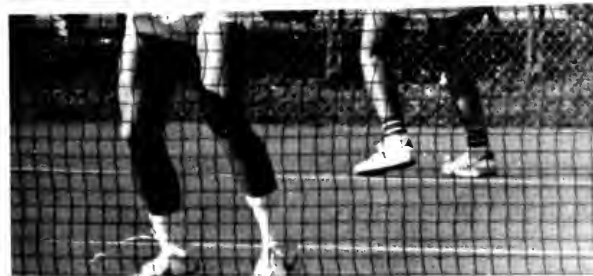

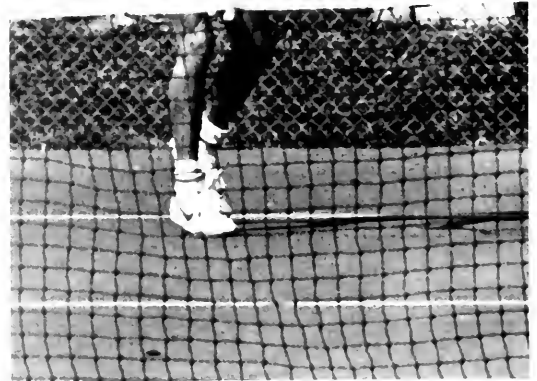

and won "Most Valuable Player of the Year" will return for his third year on the squad. John Joiner, son of a Baptist minister, will be returning for his fourth year on the squad. Other new prospects for this year will be freshmen Brad Lehan of Boca Raton, Gary Marks of Boynton Beach, and Shoib Myint of Tampa.

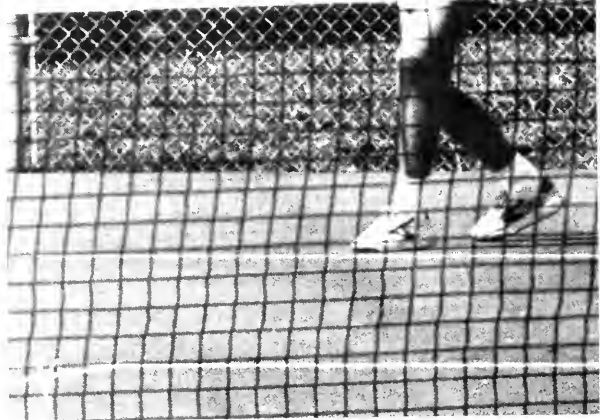

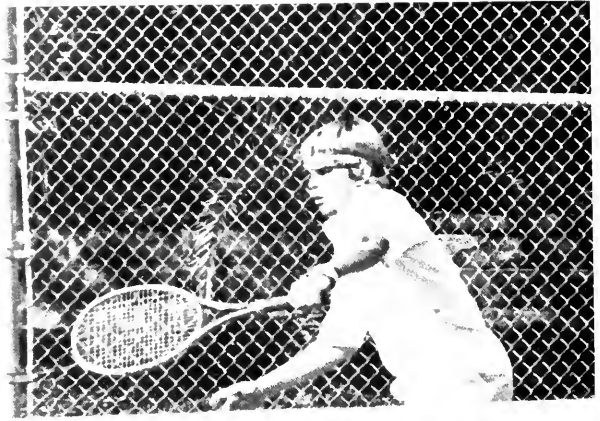

There are twenty to twenty-five matches scheduled with some nationally known teams among them. Among these teams are Emory, Carson Newman, Washington and Lee, Air Force Academy, Rollins, University of Florida, and Florida State. The Hats are looking forward to a year filled with success and determination to proudly uphold the Stetson tradition.

WOMENS' TENNIS

At the beginning of the school year, Lady Hatter tennis coach Vicky Pate was extremely worried about the forthcoming 1982 season.

She was thrilled to find that seven of nine players from last year's team, ranked 17 nationally in Division II, had returned. What worried her was that the number one seed, Harriet Monroe, was one of the ones that didn't. Plagued by knee problems, Monroe was forced to give up tennis for at least a year.

Surprisingly though, Pate's troubles ended on the

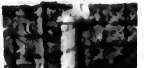

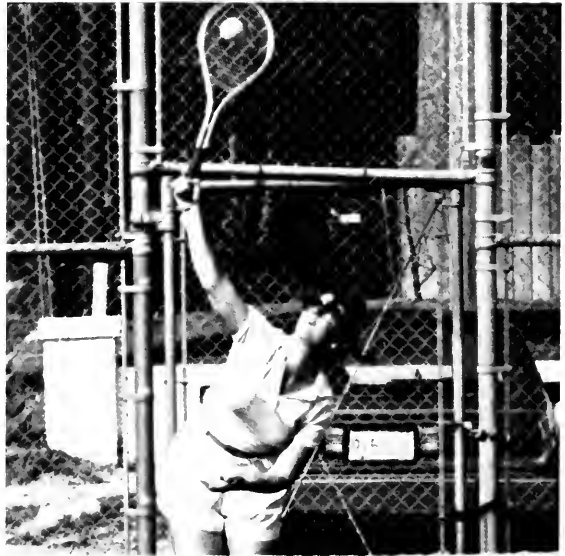

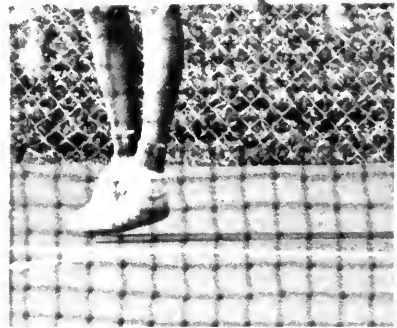

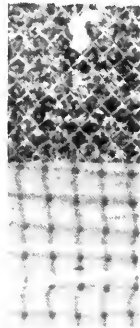

first day of practice. It wasn't a new face on the court, it was a squad of the same faces, but with much improved talent.

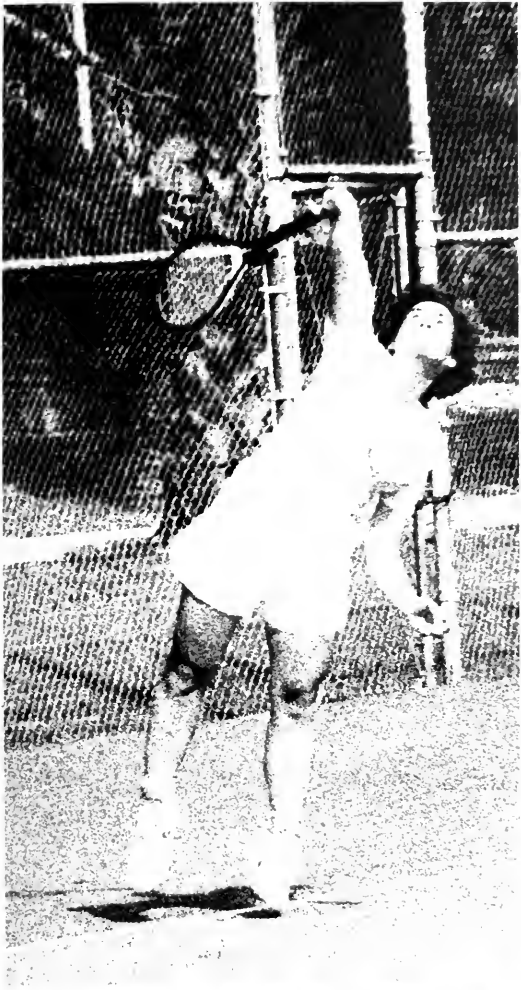

The Lady Hatters have increased with their depth of talent also. They have many of the same faces as last year, however the girls mental aggressiveness has increased their stamina. They will exercise agility and will carefully excel in their field for a season of much success.

MENS' GOLF

Stetson's 1981-82 golf season in the fall started with a very optimistic note. Coach Weickel began practice as soon as school started, wasting no time to perfect his team.

The season opened this fall with Stetson hosting a twelve team Intercollegiate Tournament held at the Swallows Golf Course in DeBary.

The fall season ended with another state tournament that was held in Sebring at the Sun and Lakes Club. Although Stetson finished 11th the "inconsistency of play" is something Coach Weickel is

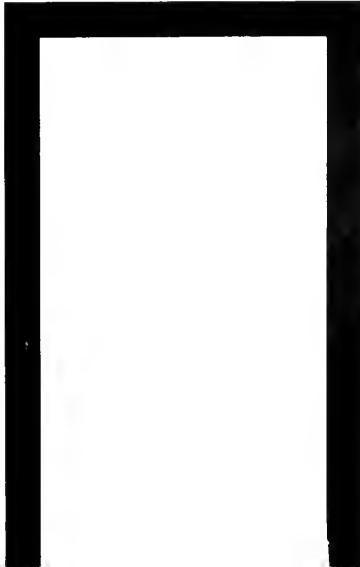

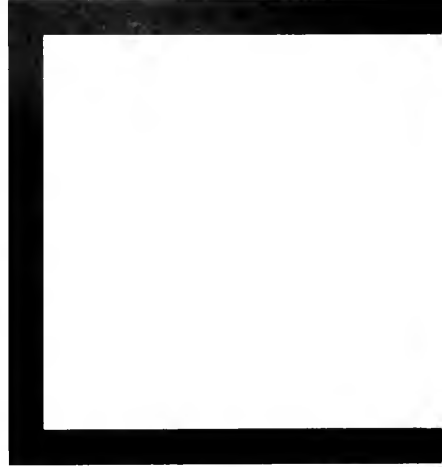

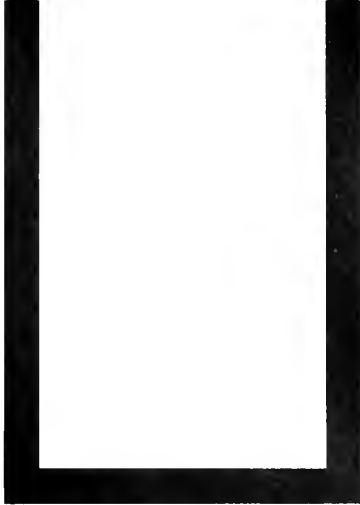

hoping will be gone by spring season. "We are competitive enough to finish in the middle of the field but we have that inconsistency." With a smile he added, "One day everyone will play extremely well and the next everyone will play badly."

Spring brought about many more tournaments and the Hatter's golf team did improve. Their averaging now to come out 6th, in the middle of the road, which pleases Coach Weickel. The team has many hopes for a successful season and building for a good future for Stetson University.

BASEBALL

While baseball fans everywhere languished during the infamous "Strike of '81", Stetson head coach Pete Dunn was busy — busy creating what may turn out to be the best baseball team Stetson fans have ever seen. Decimated by graduation and the Pro draft, the Hatters were in dire need of rebuilding. The loss of five starters made the left side of the infield and the entire outfield question marks. Dunn, using a clever mixture of seasoned junior college standouts and high school prospects, did more than just rebuild — he revitalized.

After switching designated hitter Jeff Pequinot (.346)* to the outfield, Dunn added a promising freshman by the name of Howard Manzon. Transfers Rodney Langston and Jeff Gallagher will vie for the third outfield position. Freshmen Tom Meucci and Rusty Green should see action this year.

In the infield, the other Pequinot brother, John, will also shift. John will move from third base to the second base position, where he will join first baseman, Andy Moffat (.384), on the right side. John's departure will make room for two Seminole Community College transfers, third baseman Vince Riva (.352) and short-stop Bob McCullough, to nail down the left side. With Scott Gray available to fill in, the infield should be solid.

Stetson will also be solid behind the plate. Seniors

Mark Zaleski (.319), and Jeff Altier will call the signals, with Alex Lucco ready to share the duties as well. Their battery mates, the pitchers, will be the key to the Hats success.

Stetson will look to seniors Mike Burgermeister (4-1)**, Jim Fry (4-4), Mike Hamilton (2-4), and Bob Klusacek (6-4) to shut down the opposition. Freshmen hopefuls Bart Bishop and Robbie Smith will be looking to break into the starting rotation. Out of the pen, the Hats will rely on Dennis Martin and junior transfer Ed Augustine. Sophomore Mike Maloney, along with freshmen Scott Cantrell and Jerry Ryder, will also be ready in relief.

Team strengths will include: pitching, defense, speed, and perhaps most importantly, a good attitude. The Hatters appear to have the healthy attitude necessary to compliment their talent and carry them through their demanding 55 game schedule. The Hats will have to beat teams like Miami, North Carolina and Seton Hall if they are to perpetuate their fine reputation and attempt to gain an NCAA Division I tournament bid — goals Pete Dunn had in mind long before the "Strike of '81".

ALPHA XI DELTA

Alpha Xi Delta was founded by ten women in 1898 at Lombard College. Today, we strive to reach the ideals of womanhood just as our founders did. Our flower is the pink rose, our emblem the Quill, and our mascot, Al Fuzzy Bear is derived from our name. We hold a special place in our hearts for Olga Bowen who was one of the chapter's first founding members.

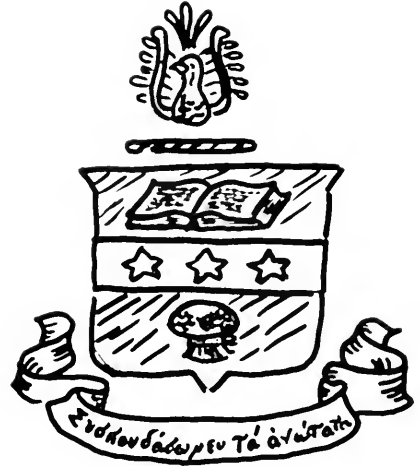

1981-1982 has been a busy and fulfilling year for the Xi-s. We began with a successful rush, the pace has yet to slow down.

The rest of the year has been a whirlwind of social, panhellenic, athletic, and philanthropic activities. After all that's our motto: **HAVE FUN!!**

ALPHA CHI OMEGA

Alpha Chi Omega Sorority was founded on October 15, 1885, at DePauw University in Greencastle, Indiana. The Gamma Chi Chapter of Alpha Chi Omega was founded here at Stetson on May 18, 1957.

Alpha Chi opened up the year by pledging quota; 17 wonderful girls. Alpha Chi showed their enthusiasm at a great roaring 20's party with the Lambda Chi Alpha Fraternity. Other highlights include an altruistic project with the Sugar-n-Spice Day Care Center, making football playoffs, and coming in second in Greenfeather. Probably the high point of the year was Greek Week. We came in first in Quiz Bowl for fraternities and sororities, first in the Bed Race, first in participation for sororities, and first overall.

The Alpha Chi's have had a wonderful fall with much anticipation for a spring full of sisterhood fun.

GAMMA CHI

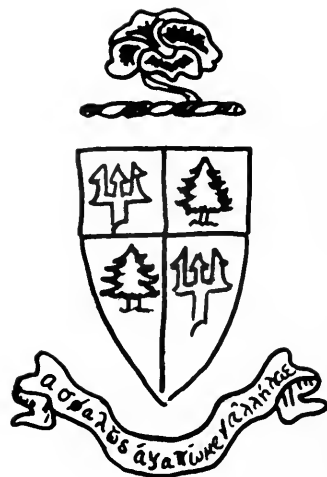

The Gamma Chi Local Fraternity was founded by Scott Kiesling, Allen Vinson, and Russell Crumley in the Fall of 1980. Scott's dream of founding a new fraternity based upon Christian and other moral principles was shared with friends, and quickly gained momentum. Through persistence and action by its founders, Gamma Chi was recognized by the Student Affairs Committee, and became an associate member of I.F.C. The Spring of 1981 was marked by participation in intramurals, Gamma Chi's private rush and first pledge class, and the introduction of a little sister program.

This year Gamma Chi has further solidified by acquiring a house, participating in I.F.C. rush, and seeking affiliation with a national fraternity. As a local fraternity, Gamma Chi has enjoyed its first year of service to Stetson and her students. As a colony of a national fraternity, the brotherhood looks forward to many years of such commitment.

DELTA DELTA DELTA

Tri-Delta was founded at Boston University on Thanksgiving Eve, 1888, by Sarah Ida Shaw. Our Alpha Delta Chapter here at Stetson is the oldest chapter in the state of Florida and was founded in 1913.

The Delta girls have been involved in many activities. The semi-annual blood drive took place in October. Tri-Deltas were also involved in a candy sale with the proceeds going to charity. We also participated in a haunted house for underprivileged children. A canned good drive and see saw marathon were some added activities. 1981-1982 has indeed been an exciting and productive year for the Tri-Deltas.

DELTA SIGMA PHI

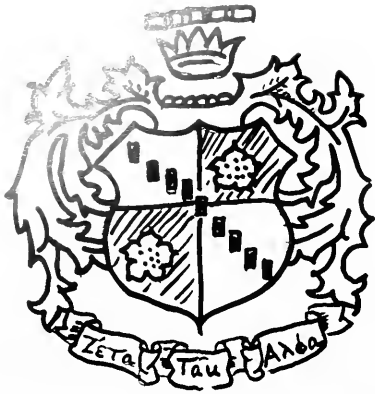

Delta Sigma Phi was founded at New York City College on November 10, 1899. The Alpha Chi chapter was established here at Stetson in 1925.

The year started out with pledging 20 men in the fall rush. The semester progressed with many exciting activities, Punk Parties, Dunder-runs, POW Parties, and Greek Week, where we came in second in the Quiz Bowl and 1st in the Bed race. We also had many traditional activities including our bi-annual Two-Band extravaganza; Pharoh Party; and Thanksgiving Banquet. The Dynasty goes on in the world of Delta Sigma Phi.

ZETA TAU ALPHA

The Beta Psi Chapter of Zeta Tau Alpha was founded on March 15, 1934. Nationally, Zeta was founded on October 15, 1898, at Longwood College in Farmville, Virginia and is currently the third largest womens' fraternity in number of chapters. Our flower is the white violet, our colors are turquoise blue and steel gray, and our mascot is the Zeta Bunny.

Our year has been highlighted by a great pledge class, our annual Christmas dance, our lead in the all-points race and our fantastic Big Brothers, the Zeta Men.

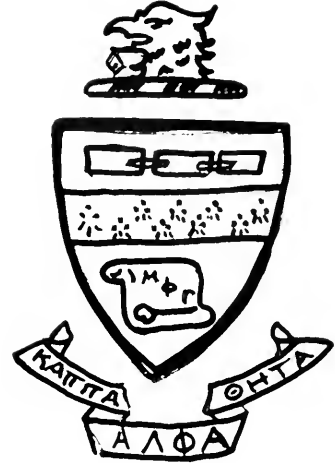

Zeta service projects have included a Halloween haunted house benefitting the Duval Home residents, a donation to the Ronald

McDonald House fund, carolling at retirement homes, and participating in campus-wide charity programs.

KAPPA ALPHA THETA

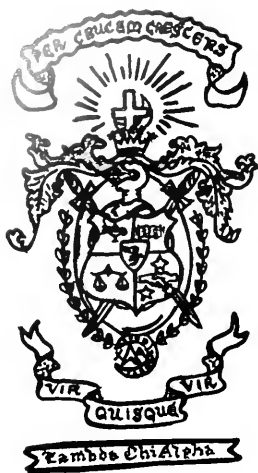

Kappa Alpha Theta began in 1870 at Ashbury University, now DePauw University, in Greencastle, Indiana. It is the first Greek-letter fraternity known among women, and is now 100 chapters strong in both the U.S. and Canada. Although Theta is so prominent nationally, it is quite new to Stetson and the Greek System here. With the initiation of our first pledge class increasing our number, Theta is beginning to blossom.

This years activities included a campus reception held at the Theta House; our Philanthropic project of aiding the elderly in any

way possible; and continuing our support to the Institute of Logopedics in Wichita, Kansas and Theta Court, a home for parents of children who attend the institute.

LAMBDA CHI ALPHA

Lambda Chi Alpha came into being here at Stetson in 1947, then a local known as Sigma Omega. By '48 we were colonized, and later that year we were initiated as a chapter. Thirty-four years later, Lambda Chi Alpha continues to excel in academics, sports, and community service, our general purpose being to serve and support our community both within and about the University.

Lambda Chi Alpha's heritage is based on human vision, need, understanding, idealism, and love. Above all, it is built on a series of honest friendships. This heritage began at Boston University in 1909, and today we still believe in that the essence of our fraternity lies in the fundamental ideals on which Lambda Chi Alpha was founded: Courage, Loyalty, Industry and Truth.

We are currently lead by a group of officers known as High Zeta, which include:

PI BETA PHI

Founded as I.C. Sorosis on April 28, 1867, at Monmouth College in Illinois, Pi Beta Phi was the first organization established as a national fraternity for college women. Having adopted the Greek name Pi Beta Phi in 1888, the organization presently has more than 106,000 members. Stetson's chapter has its roots in the Delta Alpha Delta organization founded here in 1910. On January 30, 1913, the members of Delta Alpha Delta were initiated into Pi Beta Phi, Stetson's first Greek fraternal organization for women.

A very successful Rush marked the beginning of a great year. Shortly following, the Pi Phi's chose several new Arrowmen. Throughout the Fall Semester the Pi Phi's participated in a Daytona beach party and a Thanksgiving social sponsored by the local alum,

a Halloween carving, a costume party with the Lambs, a toga party with the Pikes, and a delicious Sugar Mill breakfast run. The Christmas Dance atop Daytona's Treasure Island highlighted the season.

PI KAPPA ALPHA

Six, University of Virginia students founded the Pi Kappa Alpha Fraternity on March 1, 1868. Since then, the Fraternity has become a major factor in national campus prominence. Founded in 1951, Stetson's Delta Upsilon chapter has played an important role in the Fraternity's success.

The Fraternity also participated in campus extracurricular activities. Pi Kappa Alpha provided leadership for the Freshman Orientation, Greenfeather, and Homecoming committees. During Greenfeather and Greek-Week, the Pikes set the example for campus-wide participation.

Within the community, PiKA assisted Daytona's Cedar House Project. Once a month the brothers visit the home.

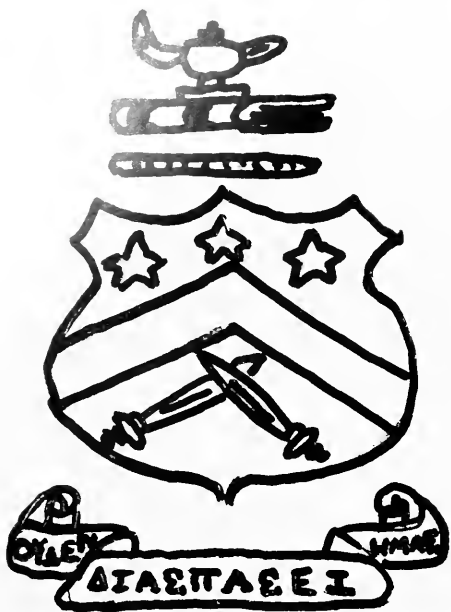

Early in the year, the Fraternity hosted a Sorority Pledge

Social, welcoming all new pledges to the Panhellenic community of Stetson's campus. The Pikes sponsored exciting socials with several of Stetson's sororities.

Overall, Pi Kappa Alpha's Delta Upsilon chapter provided exemplary campus and state leadership. With Delta Upsilon's help, Pi Kappa Alpha can fulfill its commitment to excellence.

PI KAPPA PHI

Pi Kappa Phi was founded at the College of Charleston in 1904 and chartered at Stetson as Chi Chapter in 1921. The fraternity's colors are gold, white and blue. The flower is the red rose.

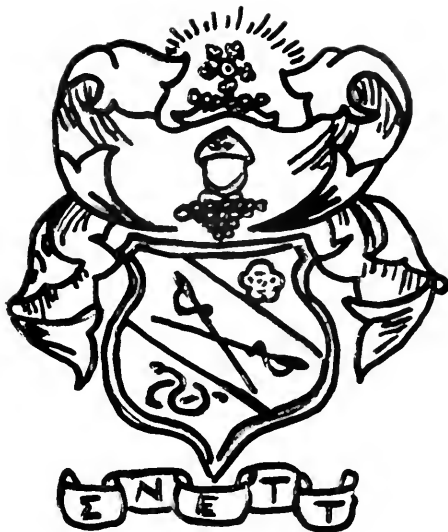

Pi Kappa Phi prides itself with outstanding achievements in academics, athletics, community services, social functions, and brotherhood. Each of these areas enables each member to obtain a knowledge of diverse achievements while each is enriched with the love which is the center of our brotherhood. In the area of community service, Pi Kappa Phi is proud of its efforts on helping underprivileged children through such programs as Head Start, Big Brother, and our national philanthropy project — Project P.U.S.H. (Play Units for the Severely Handicapped). Chi Chapter recently received the President's Award from our National Council

for our outstanding support of Project P.U.S.H. in raising over 1200 dollars.

SIGMA PHI EPSILON

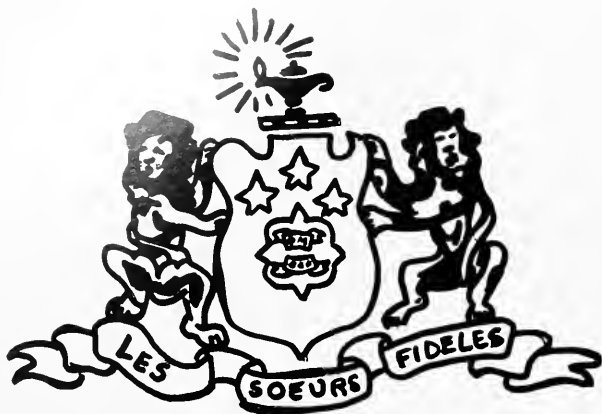

Sigma Phi Epsilon, a fraternity founded on the principles of brotherhood, was established at Stetson by ministerial students in 1948. Our local chapter was received on February 12, 1949. Since then Sigma Phi Epsilon has flourished into a close-knit, strong standing fraternity at Stetson University. Living under the concept of fraternal brotherhood, Sigma Phi Epsilon also offers many services to the DeLand area. Our yearly Chariot Pull and various other functions help raise funds that are used in helping the community.

Our fraternity is consistently active in intramural sports and shows great dedication to the purple and red when the going gets rough. The quality of the Epsilon brotherhood is visible through the pride of its active members in all the fraternity's functions.

PHI MU

Phi Mu was founded at Wesleyan College in Macon, Georgia on March 4, 1852, making it the second oldest fraternal organization for women in the country. Our flower is the rose carnation and our colors are rose and white.

Phi Mu upholds a proud tradition of service to the community and the world. Our service activities include an afternoon with the United Methodist Children's Home and a Rock-A-Thon for our national philanthropy, Project Hope.

Highlights of our year included Bucket Runs, cook-outs, and our very special Carnation Ball. All of these, combined with the joy of sisterhood, made our year a very precious one, indeed.

PHI SIGMA KAPPA

Phi Sigma Kappa was founded on March 15, 1873, at the University of Massachusetts at Amherst. It was originally called T, Double T, T Upside down. In 1878 the national organization adopted the Greek letters and name Phi Sigma Kappa. Since then Phi Sigma Kappa has established a proud and prosperous history, and is currently one of the largest national fraternities.

Phi Sigma Kappa emulates their three cardinal principles, to promote brotherhood, stimulate scholarship, and develop character. One of the strong ties brothers of Phi Sigma Kappa have is their magazine the Signet. Once a person becomes a brother, he receives

the magazine quarterly for the rest of his life. The name of the magazine came from the fraternity's first piece of jewelry, the Signet ring.

The Stetson colony was created on February 2nd and 3rd in 1973. On May 18, 1974 the colony became the Kappa Hexaton chapter of Phi Sigma Kappa. In just these few years the brothers have built a strong and prospering fraternity with high expectations for the future. The fast-growing alumni foundation is lending great support for our youthful chapter and is helping mold the organization into a leading fraternity on campus.

FRIENDS

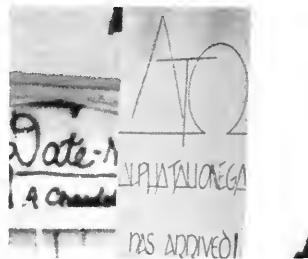

Alpha Tau Omega

Alpha Tau Omega Fraternity is a national organization. A local fraternity named Gamma Chi had been founded in the fall of 1980. The first national meeting was held October 21, 1980. Shortly thereafter a constitution and bylaws were elected in subsequent meetings which were held in the Carlton Union Building. By January of 1981 Gamma Chi moved its meeting place to the small apartment behind the Counseling Center. On February 2, 1981 Gamma Chi was officially recognized by the Student Affairs Committee and was given associate membership in IFC.

Gamma Chi was not to remain in the apartment for long. Recognizing a need for its own fraternity house, Gamma Chi's George Kern, after weeks of hard work, negotiated a rental agreement with the owner of a house across from the Business School. Housing nine brothers, this house is presently the home of Stetson's ATO's. Within a matter of nine months Gamma Chi moved from a room in the Carlton Union Building to a fraternity house able to provide housing for the brothers of Gamma Chi.

September of 1981 marked the beginning of a national search effort. With the help of Jayne Marlowe and Dr. Garth Jenkins, Gamma Chi solicited information from over 50 national fraternities. That number was cut to twelve and then, after many hours of evaluation, five nationals were selected to give presentations to the brothers. The nationals were Sigma Alpha Epsilon, Phi Beta Theta, Delta Tau Delta, Sigma Chi, and Alpha Tau Omega. After two weeks of close scrutiny the brothers of Gamma Chi chose to affiliate with Alpha Tau Omega. On January 21, 1982 Gamma Chi became an ATO Interest Group. March 26, 1982 marks the date that the Gamma Chi/ATO Interest Group became an official Colony of Alpha Tau Omega Fraternity.

Stetson University's personalization program is clear evidence that when residential life welcomes students to campus by saying "make yourself at home," they really mean it.

Stetson's residence halls are filled to capacity and rooms are as varied and expressive as their creative inhabitants. Not only is personalization being done with paint which is provided by the institutions to the students, but also with students creating a varied decor with lofts, carpeting, paneling, and matching curtains and bedspreads. Since the inception of Stetson's personalization program, there has been an increase in student satisfaction, retention, growth and interaction with a notable decrease in residence hall damage, and roommate conflicts.

Students who decorate together tend to stay together; students who work hard to create an environment tend to support that environment. As one can plainly see, college is not just the same old bunk in Stetson University's residential life program.

GREENFEATHER

Annual Greenfeather week was again a success. Co-chairmen Tony Clark and Cindi [unclear] with the help of many hardworking students and faculty, reached the desired goal of \$10,000.00. Along with the hard work, however, came many good times too. This year's Miss Greenfeather was Lynn Wilkinson representing Alpha Kappa Psi, a business fraternity on campus.

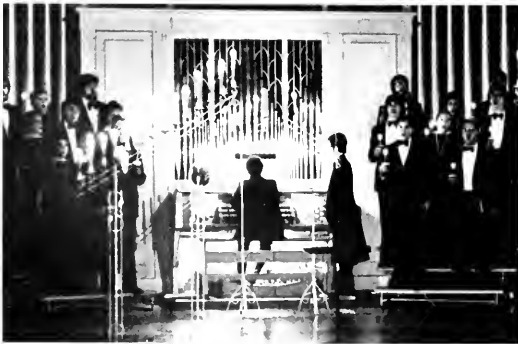

EVENTS

DELAND — Stetson University's "Homecoming '82" celebration has extended into a four-day event. Monday, the school offers returning alumni and students an evening of a variety of programs through the homecoming committee. Linda R. ... associate director of ... at the school.

ON THE IMPORTANCE OF CLEAR COMMUNICATION

The following instructions actually appeared in a church bulletin:

"The service will close with 'Little Drops of Water'. One of the ladies will start quietly and the rest of the congregation will join in".

In case we have not communicated effectively with you, we would like to say that we have started quietly and we hope the rest of you will join in.

EDITORIAL

Amazing — the most appropriate word for the *Hatter*. 1981-82 was a year filled with lots of action — both on campus and internally with this book.

The main objective of myself and my staff was to represent the campus as a whole, its activities, organizations, and sports events with care. To show through pictures the memories which we dearly will appreciate in times to come.

The year wasn't an easy one!! Staff members were hard to come by. However, I give my thanks to Nancy, Teri, Joan and Jayne who stuck by my side through thick and thin. To the other editors I say "THANK YOU" for your sections that were done with the care and respect of yourself and Stetson as a whole.

To anyone reading this I say "Goodbyes are not forever" — through the availability of a yearbook you will be able to stay close to Stetson and remember both the good and bad, happy and sad, defeats and victories, — but most of all you will remember yourself and how you *were* throughout your college days.

Everyone has always said that "COLLEGE IS THE TIME OF YOUR LIFE" — enjoy because the work world is right around the corner with its responsibility attached. But what we all must realize is that responsibility just doesn't *pop* into our lives the day we receive a diploma — it's here, it's now, we must live with and accept it, NOW!

Again I'd like to thank my advisors, Dr. Ann Morris, and Jayne Marlowe.

A special thanks goes to a man of great distinction on this campus — Dr. Thomas Turner. I dedicate this book to him, for his support and strong interest in this book. A man of such faith like his has given me the courage to complete the *Hatter*.

Finally, I'd like to thank God for his continual guidance over my life and with this book. I know there have been times when I would have just quit, it was then I felt His hand come down and help to push me through the heartache and troubles and to reinforce my belief that the *Hatter* would be a success.

To you I give the year 1981-82:
